The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1, 2,6-12, 16-21 and 24-28 are rejected under 35 U.S.C. 102(b) as being anticipated by Ragsdale et al as set forth in paper, # 7.

Applicant argues that "Ragsdale does not disclose a locating feature element".

Claim 1, lines 6 – 7 calls for "locating features". This term is not found in the detailed description. The term "locating feature 25" is found on page 5, lines 8.

In any event the term "locating feature(s)" is so broad as to read on a mere planar surface or joining or opposed planar surfaces, each of which is shown by Ragsdale et al.

Claims 3-5, 13-15,22 and 23 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

The formal drawings of 7/15/03 are approved.

Any inquiry concerning this communication should be directed to Charles Phillips at telephone number 703-308-1515.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3751

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
